Akira, a student of the music department, played the violin only for Ikuhi who is her teacher and loved. Akira is entirely devoted to Ikuhi while Ikuhi's love devours all of Akira to the point where she has lost the distinction of herself. She believed that Ikuhi was her entire world, until she met Seize Hayato, a classmate who is the complete opposite of her. An intense, sad love story unfolds on stage in the world of classical music!
